

Dear FCC:

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

As a federal agency the FCC must weigh the benefits to many groups. The two primary groups in question here are Consumers and Businesses. The proposed rule changes benefit the media businesses and dramatically decrease the options to consumers. In a world where dissenting views are being filtered by the few powers in the media, it is important not to allow further consolidation.

Sincerley,
Amanda Brown
